

SEINE GEAR LOGBOOK INSTRUCTIONS

- Complete a log for each trip you make, including unsuccessful trips. The log should be filled out before unloading is completed.
- Use one line for each set of gear, even if no fish were caught. More than one trip may be entered on a single page.
- Record the pounds/number of all species caught including by-catch. Also record catch of species caught but not retained. Please be as accurate as possible.

Note: All information will be considered confidential.

- If your logs are not picked up by an ODFW biologist, please return the yellow log sheets to ODFW office in Astoria, Tillamook, Newport, or Charleston, or mail to:

ODFW
2040 Marine Science Dr.
Newport, OR 97365.

Additional logs may be obtained from ODFW, Newport office.

Logs are due to ODFW the 10th of the
following month of fishing, for all
seine gear.
